

## AGM 2020 online

This is summary of electronic AGM held September 27<sup>th</sup> 2020

A big thanks to all 65 members who voted in our first ever electronic AGM. This represents 38.2% of our membership.

While we have no idea how you voted, we do know who voted & these names will be recorded on the Attendance list for 2020 AGM.

One member rang to say she did not have access to a computer for voting & neither could she attend the clubrooms on the morning of the 24th. She will be recorded as the sole entry in the Apology list.

It was a fairly straightforward meeting with all reports e-mailed or posted to members prior to the commencement of voting. Below is a breakdown of voting on the motions to accept the Reports:

1. **Minutes of 2019 AGM:** Accepted with 2 abstainers
2. **Presidents Report:** Accepted with 6 abstainers.
3. **Treasurer's Report:** Accepted with 2 rejections, and, 6 abstainers.
4. **Tournament Organiser's Report:** Accepted with 8 abstainers.

There was no voting regarding the election of the Committee as no positions were contested. Also note we are, in fact, a member short. We will be looking to fill this position soon.

No member took advantage of the opportunity to ask questions relative to any of the Reports in the lead up to voting.

Voting was spread throughout the week although 29 of you voted on 17<sup>th</sup> September & an average of 8.1 electors voted per day.

We thank Gary Barwick for organising & managing the whole event.

Thanks

Anne Grayden (Secretary CCLCBC)
