### BRIDGE CLUB

12 December 1989

Unfortunately we have lost one of our Committee members. Jacob Bording has resigned as Treasurer as he and his wife left the area in late November. Sicne taking over as Treasurer this year Jacob has carried out his duties efficiently and he, and his contributions at committee meetings, will be missed. We wish him well in his new home. Bill Thomson has taken on the responsibilities of Treasurer until the next Annual General Meeting. CM.

#### DISTRICT MATCHPOINT MEDAL.

With one round of this competition to be played the positions are :

	Medal Wins	Points
T & G Chan	2	12
W Thomson & J Bording	1	8
H Kasius & T Owen	1	5x
J Holcroft & A Alexander	1	4
J Rushbrook & J Hoplinson	1	3
M Sellick & E Gilchrist	1	3
S Mills & J Broad	1	3

Congratulations to Therese and Guy who now cannot be overtaken and have thus won the competition. CM.

#### DIRECTORS CORNER.

I have often been asked how the movement is selected for our Thursday sessions. Three factors guide my selection :

##### Number of sections.

With fourteen or more tables, two sections with both sections playing the same number of boards per round and thus changing and finishing at the same time. Some special events, such as the Matchpoint Medal, require one section.

##### Sit Outs.

With a half table, N/S to sit out if there is an odd number of full tables plus a half; E/W to sit out if there is an even number of full tables plus a half.

##### Number of Boards.

We like to finish by 4 pm. Thus with thirteen and a half tables or less we play one section with two boards per round; fourteen to sixteen tables two sections with four boards per round; more than sixteen tables one section with two boards per session with a curtailed movement. WT.

#### INTERCLUB TEAMS

The Northern Teams competition has just been completed and an excellent result was achieved by the "B" Team which consisted of : Jaccquie Sault (convenor), Jacob Bording, Joan Holcroft, Carol McKellar, Bill Thomson and Bill Pinfold. Five matches were played with the following results - wins against Brisbane Water 25-5, Toronto 24-5, Central Coast 16-14 and losses to Newcastle I 4-19 and Newcastle II 14-16. The team scored 83 VP's in total and came third in the six team competition.

The social side of the event was most enjoyable. We played our last match against Newcastle II at their club and after the very close game we were treated to a 'Champagne Supper' which finished off the competition beautifully. We hope to be entering at least one team next year (any volunteers?). JS.
