CHARITY DAY:

Our Charity Day held on Tuesday 23rd May was a great success – we raised **\$2,037.00**. This the most we have ever raised and thanks must go to everyone who supported us not only the day but the week before. The Committee would like to thank Robyn Ivers for organising the day, Carol Judd for her famous Rocky Road, which by the way raised \$450.00, and Lanie Jesperson for all her knitting – and still knitting, finishing special orders taken at the Charity Day.

We were well supported by Brisbane Water Bridge Club so hopefully our members will support their Day later in the year. The amount raised included all table fees of the day, and we thank Leyla Moncelet, who once again donated her Director's fee for the day, also added in was \$293.00 raised on Melbourne Cup Day last year.

Popular opinion on the Charity to be supported is Pandora –

CLUB TEAMS

Our Club Teams – due to be played on Saturdays 22nd and 29th July will again have a section for the best Restricted Team

GNOT ON SUNDAYS

Once again the Committee apologies for not being able to run the event this year.

Just a reminder of a few items of the ABF regulations :

- although a convention is on your system card it does not remove the obligation to alert it when required.
- each player should have a legibly completed approved system card on the table, with partnership cards being identical.
- In explanations do not use the names of conventions, give specific explanations. e.g. do not say "Michaels" but explain the meaning of the bid by saying "At least 5-5 in hearts and a minor suit, any strength". Similarly, do not use the terms "weak", "strong", "natural, standard, or intermediate". The opponents' views of these descriptive terms may differ from yours.
