From your Committee

1. **Standbys** to get pay increase effective 4th September, 2026, when they will receive \$25. We'd like more members to volunteer to fill these positions – it lightens the load. Please notify Ruth Griffin if you'd like to be a standby.
2. **Arrival time for sessions.** Please remember to be seated at least 10 minutes before start time to allow the Director time to set up the movement. If you arrive after commencement of play you will not be allowed to play. You can always call the Director if you're running late.
3. **Attendance at the Thursday afternoons** Rookie session is no longer limited to 12 months but there is a limit regarding masterpoints, ie 30MPs.
4. **See the reminders** on previous page re new dates for Restricted events.
5. **Scores on the Bridgemates** – as a compromise, scores will be shown in odd numbered months of the year but not on even numbered months. So, you can see the scores in September but not October. Also, scores will be turned off on special events & red point events.
6. **We need more Directors.** Please see the e-mail sent by Steph this week. There is an exam but it's online and open book & if you do decide you'd like to give it a go the club offers support.
